

A Family Medicine Without Alcohol

Ayer's Sarsaparilla is a tonic and alterative, free from alcohol. What is a "tonic"? A medicine that imparts strength or tone; a medicine that builds up, gives vigor and power. What is an "alterative"? A medicine that alters or changes unhealthy action to healthy action. Ayer's Sarsaparilla does all this without stimulation. Ask your doctor if a family medicine, like Ayer's Sarsaparilla, is not vastly better without alcohol than with it.

CROWDS SEE TWO LIVELY FIGHTS

MADISON SQUARE GARDEN, New York, Aug. 30.—Matty Wells, the English lightweight champion, tonight added to his list of laurels by outboxing and outfighting "Knockout" Brown, the New York lightweight, in a ten-round bout before probably the largest crowd that ever witnessed a pugilistic contest in New York city. The bout, the second to be held under the new boxing law, brought a crowd of probably 14,000 persons to Madison Square Garden.

The British champion was never in danger at any period during the milling, and left the ring unmarked, while "Knockout" Brown was bleeding about the mouth and from a cut under his right eye.

Wells' cool and calculating defense had the American sorely puzzled, and he repelled Brown's attack from every angle. Brown could not solve the Englishman's left jab, which played about his face with lightning-like rapidity and kept the American from doing any damage at infighting.

Seven of the rounds clearly belonged to Wells. Referee Charles White had to caution both men frequently in the clinches. The battle gave "Knockout" Brown's championship aspirations a severe setback.

Popular opinion gave the battle to Wells, but no decision was rendered. It was stated that the gate receipts totaled \$30,000. Brown received 32 1/2

per cent, and Wells 22 1/2 per cent of the gross receipts.

Boston Man Won.

Chronicle: Hammering and beating Willie Ritchie on "the kidneys for the greater part of twenty rounds last evening, Matty Baldwin of Boston was handed the decision by Referee Harry Foley. It certainly was Baldwin's fight in practically every round, and the only reason that he did not register a knockout as early as the twelfth was because he is woefully lacking the wallop. Baldwin whipped in punches enough to put a heavyweight on his back, yet he never even floored the local lightweight.

The battle was a fast one, replete with many and oft-repeated incidents that bore close relationship to the sensational. But the class was not there. Neither of them showed it. Ritchie was too young, too green for a veteran campaigner like Baldwin, and Baldwin was too much worn out, too old, as it were, to win the battle by a clean knockout.

The Boston boy did not make as good a showing as he did against Freddie Welsh that evening two months ago, when many of the fans began to rave over him. He was not so fast last evening and he did not show such a variety of punches. If anything, Matty went back about fifty per cent in 60 days, which is fast shooting down the toboggan.

plon, has challenged Frank Gotch for the title and deposited \$10,000 with which to back his deft up.

Carl Morris and Jim Flynn fight ten rounds in New York on Sept. 15. Flynn has a \$6000 guarantee with the privilege of taking 25 per cent of the gross gate receipts instead.

The receipts for the Baldwin-Ritchie go totaled up a little more than \$2,800. Ritchie drew down \$550 for his end.

Bill Lang is suffering from influenza and his match with Jack Lester has been postponed.

Miss Stokes won the American Horse Breeder's Futurity, valued at \$7,000, trotted at Readville.

SPORTDRIFT

The Myrtle regatta day invitations are being sent out. We've got ours; thanks!

The Puunene crew started work on a rowing machine in the Puunene swimming tank.

The Puunene oarsmen are loud in their appreciation of what Frank Baldwin has done to make their trip to Honolulu possible.

Captain Hughes of the Puunenes declares that there was never any idea of the Maul crew competing in the junior barge race.

The Puunene barge has been christened the "Harriet B."

The Myrtles have christened their new Keenan barge the "James L. Talbot" in memory of a rowing light of other days.

There is an impressive display of trophies won by the Myrtles and photographs of the crews which "brought the bacon home" in the window of the Hawaiian News Company.

The six-paddle canoe crews are getting busy in the harbor and there may be keener competition for the championship than has been expected.

Next Sunday's baseball games at the athletic park will be Hawaii vs. Stars and J. A. C. vs. P. A. C.

The Duke Kahanamoku Jr. swimming affidavits have been forwarded to the headquarters of the A. A. U.

The A. A. U. championship meeting on the 30th inst. will in all probability be brought off at Alexander Field. If the field can be obtained it is the best place in Honolulu, indeed the only place to hold such an important meeting.

The list of events to be contested at the A. A. U. meeting is anxiously awaited. It should have been announced long before this.

The Outrigger Club's canoe crew will race on Regatta Day in the Leokio, the Wall canoe which is being specially shaped up for the purpose. Kenneth Brown is looking after the crew.

The Outrigger Club's canoe crew will be entirely composed of haoles. The Ukulele Patrol, whatever that may be, have an engagement to paddle a race on Regatta Day with a Myrtle crew of canoeists.

The five-mile race between Soldier King and Jimmy Fitzgerald for Regatta Day has been definitely arranged. It is to be hoped that it will be competently managed and properly advertised.

Honolulu is to have a new physical culture school.

The mile walk may be included in the A. A. U. program of events to be decided on the 30th inst. The good, old exercise ought to receive some recognition even if the distance selected be only half a mile.

The Wrens and Pearls will enliven the harbor with their white wings during Regatta Day.

NEW RICE MILL.

The K. Yamamoto Rice Mill is the largest as well as the finest in the islands. All machinery is of the very latest pattern. The famous Tengu Rice is cleaned at this mill. With the large cleaning capacity they are able to handle considerable outside particular work which they guarantee.

FINE POLO CUP ARRIVED TODAY

The trophy presented for the recent polo tournament by that good sportsman, Mr. T. F. King, of the California Feed Company, and which was ordered from Shreve & Co. of San Francisco, arrived by the S. S. Sierra this morning and will shortly be on exhibition.

The trophy is of unusual merit, indeed it is one of the most striking which has ever been offered for a local sporting competition.

The cup is of sterling silver and stands twenty inches high with a burl redwood pedestal.

On one side is depicted a scene beautifully executed and full of action of two polo players going neck and neck after the ball.

Above and below is the inscription, and on the reverse side will be engraved the names of the members of the winning team.

Just who will take the cup is problematical, and it is a pity that an outright winner of such a splendid trophy could not be found.

Oahu have withdrawn from the tournament and from present indications it is hardly probable that the Fifth Cavalry will accept Kauai's invitation to play them for the championship on their own ground at the end of next month.

SPORTS FRESH FROM THE FILES.

Matty Wells outfought K. O. Brown in New York cutting him to pieces with left jabs.

Frankie Conley and Johnny Kilbane fight in Los Angeles on the 30th inst.

Hans Holmer of New York won a fifteen-mile race in the Isle of Man from Pat White of Dublin by 500 yards. Time, 1:27:32.

The University of California will have no soccer team this fall. The sport will probably be reviewed on the campus next spring.

A crowd unprecedented in New York fight history witnessed the Wells-Brown fight. It was the first big fight under the new Tammany law legalizing boxing. Police reserves from eleven precincts to be called out in an effort to restrain the throng which mobbed the streets around Madison Square Garden. With drawn night-sticks the bluecoats repeatedly charged the mob in riot formation and finally closed up several streets. Five dollars was charged for standing room and nearly 20,000 people finally gained admission to the big amphitheater but there was still a mob of at least equal that size clamoring and fighting in the streets outside.

Johnny McCarthy obtained a ten-round decision over Anton La Grave.

A race between four great pacers, Minor Heir 1:58 1-2, Lady Maud C. 2:00 1-2, Hedgewood Boy 2:01, and George Gano 2:02 1-4, was to have been paced at the Minnesota state fair last week. These horses, all owned by M. W. Savage of Minneapolis, are valued at nearly \$250,000. The pacer Dan Patch 1:55 was to have made his farewell appearance before the public on the same day.

Charlie Rogers and Willie Chapelle fought ten fast rounds to a draw.

Pal Moore and Tommy Murphy were to have fought ten rounds in New York last night.

Johnny Williams pitched for Victoria against Spokane on the 2nd inst., the game being won by the latter by the score of 10-9. Victoria outbatted Spokane and made fewer errors in the field but could not win. The Call describes the game as "a woozy exhibition of ball."

Miss Carolina Painter of Midlothian won the woman's western golf championship played for in Chicago.

Commodore Frederick K. Burnham, owner of the winning motor-boat Dixie IV, received a cablegram from the Duke of Westminster, owner of the Pioneer, one of the English challengers, offering to wager \$100,000 that that his boat would defeat the Dixie IV in the championship races. The quoted odds on the Dixie IV retaining the trophy were 7-5.

Stanislaus Zybyasco, the Polish champion, has challenged Frank Gotch for the title and deposited \$10,000 with which to back his deft up.
